

# Staff Appreciation Days

We will provide families the opportunity to celebrate our staff on the first Friday of every month. Staff appreciation cards will be sent home at the end of each month for families to share their appreciation.

Any staff member at Manoa Elementary School may be honored for any reason. We simply want to provide you with the opportunity to express your thoughts. A note, poem, word, or artwork will be welcomed.

We will place the monthly staff appreciation cards in our main office for all to see!
