

# **Haverford High School Course Selection Presentation**

**9<sup>th</sup>, 10<sup>th</sup> and 11<sup>th</sup> Grade Students**

**March 5<sup>th</sup> - 7<sup>th</sup>, 2018**

# Levels

- For the 18-19 school year, Levels 1 (Honors and AP), 2 (College Prep), and 3 (Career Track) will be offered in math, science, English and social studies
- Levels will be determined by parent/student selection, with teacher recommendations

**\*\*In order to override a teacher recommendation, parents will need to sign the waiver form on the reverse side of the verification sheets.\*\***

# Scheduling Procedure

- Think about college and career, what are your goals? Why do you want to take various courses? Why do you want a particular level of a course?
- Access course guide on counseling website
- Have discussions with teachers, parents, advisory teachers, and counselors

# Scheduling Procedure

- Completion of course selection worksheet
- Counselors will visit their homerooms during the coming weeks and assist students
- Access course requesting through PowerSchool student portal and enter requests

## Welcome to the Haverford High School Class Registration System for 2016-2017 :

Students currently in 10th grade will use this page to register for their 11th grade courses.

[View course requests](#)

### ENGLISH 11

Click the edit button to request a course =>

Juniors have four level choices for their required English course: Advanced Placement (AP) level, Honors (H) level, College Prep (A) level, and Career Track level. For special education students, there are two additional choices, Supplemental and Intensive Learning Support. \*\*Please note - Students must request the same level Social Studies course that they have requested for English.\*\*

### MATHEMATICS 11

Click the edit button to request a course =>

Since four mathematics credits are required for graduation, juniors are strongly encouraged to complete at least one course during their 11th grade year. From the following list, they should request the next course in the sequence. For special education students, there are two additional choices, Supplemental and Intensive Learning Support.

Requesting 7 credit hours.

Submit

# English/Social Studies Considerations

- English 10/World Cultures
  - Choose the same level of each course as classes will integrate content, materials and assessments
  - AP World History is available
- English 11/American History ~ 11th Grade
  - Choose the appropriate level of each course: AP Level, Level 1, Level 2, and Level 3
- 12<sup>th</sup> grade English
  - There are four levels: AP Level, Level 1, Level 2, and Level 3
- American Government ~ 12th Grade
  - A graduation requirement
  - There are three levels: AP Level, Level 1 and Unleveled

# Math Requirements

- All students must earn 4 math credits to fulfill graduation requirements
- Class of 2020 (current 10<sup>th</sup> grade) and beyond must pass the Algebra 1 Keystone Exam or complete a project based assessment for graduation.

# Science Requirements

- All students must earn 4 science credits to fulfill graduation requirements
  - Inquiry into the Physical Setting
  - Biology (beginning with Class of 2020 must pass Biology Key)
  - Chemistry
  - Elective Science

Suggestion – Take the next course(s)  
in the sequence.

# Electives

- The Course Selection Guide is filled with electives in many subject areas
- Please check prerequisites before scheduling electives
- Requesting an elective does not guarantee that the student will receive the elective

# Dual Enrollment/DCCC

- Who is eligible?
- Generally Seniors “in good standing with required courses/graduation credits” – if you want to start earlier contact your counselor
- Students who wish to try out college courses to determine whether or not this is the right path for them, and/or wish to earn college credits during the last semester of their high school career
- Students may be responsible for tuition, materials and fees

# Dual Enrollment/DCCC

- Contact your counselor and or grade level principal
- Students are approved by the DCCC Admissions Office
- Students submit college application and enrichment form
- Students undergo placement testing (English, reading, mathematics)
- Students who are considering this option should attempt to determine what courses they would like at DCCC and schedule their high school classes around them
- Students cannot schedule classes at DCCC while they are scheduled for classes at Haverford High School

# Delaware County Technical School

- Option for 11<sup>th</sup> and 12<sup>th</sup> grade students
- Blocks 1 and 2 every day at DCTS and blocks 3 and 4 at HHS
- Over 15 different courses of study
  - Choose Vo-Tech A.M. when requesting courses

# Please Note

- Scheduling a minimum of 6.5 credits is required for each student
- Students **should** try to schedule a full 8 credits

# FAQs for HHS Students

How many Arts and Humanities credits are required for graduation?  
What courses fulfill the Arts and Humanities requirement?

2.0 credits of Arts and Humanities are required for graduation. There are many courses available to fulfill the Arts and Humanities requirement. Some of those include courses in the disciplines of English, Fine Arts, Music and World Language.

# FAQs for HHS Students

Do I need to take two years of a world language to graduate?

- Although world language is not required to graduate it does fulfill the Arts and Humanities requirement needed for graduation. Also many colleges and universities require the completion of 2 to 3 years of the same world language at the high school level for admission.

# FAQs for HHS Students

Can I take a study hall?

- It is recommended that students have a full schedule (8.0 credits), which does not include study halls.

# FAQs for HHS Students

I am in academic Math,  
should I double up?

- It is important that you take a math course every year. Please meet with your counselor to map out the math courses you plan to take and speak with your current math teacher.

# FAQs for HHS Students

I am currently in an honors course and have a D or F. Can I continue taking courses in that subject at the honors level?

- Please check the Course Selection Guide for the prerequisite of the next honors course and discuss with your current teacher.

# FAQs for HHS Students

How do I know if I should take an Advanced Placement (AP) course?

- Read the course description in the Course Selection Guide and meet with that AP teacher to ask questions about course content, workload, etc.

# FAQs for HHS Students

How do I get to take Advanced Placement (AP) courses in tenth, eleventh and twelfth grades?

- There are many opportunities to schedule AP courses. Be sure to meet with your School Counselor to talk about all of the scheduling possibilities.

# FAQs for HHS Students

When can a student request a schedule change?

- If a student has attended summer school for a class and no longer needs to take the class during the year.
- A student is missing a class that is a prerequisite or necessary for graduation.
- A student needs to make a level change - the level change procedure will be followed.
- A student may add a class to fill a study hall; this must be done in the first 5 days of the quarter.

Any questions?
