Raising Digital Kids! What Parents Need to Know to Survive

December 4th at 6:30 PM in HHS Auditorium.

Have you ever said- Should my child be on Social Media? What do I need to know when I give my child a phone/device? What apps are out there that I should know? Unlike our parents we have tools and resources available to us, but how many of those are valuable and how many of them are scare tactics? In this entertaining session, we'll find answers that Siri can't.

Paul Sanfrancesco is a National Technology Speaker. For over 24 years, he has worked in Catholic, private, and public education, including as a teacher, Assistant Principal and Director of

Technology for school districts in the Philadelphia region and collegiate teaching at Saint Joseph's University and Neumann University. The National School Boards Association named him one of the "20 to Watch" Educators for his work in Instructional Technology. Mr. Sanfrancesco has been featured in Tech & Learning, Schools CIO, EdTech Mag, and Catechetical Leader and presents at local, regional, and national convocations. He holds a bachelor's degree in education from Millersville University and a master's degree in instructional technology.

Music
