Dear Parent or Guardian,

Your child expressed an interest in attending an after school activity entitled, "Girls RULE." We will be convening on Wednesdays for 8 weeks beginning 1/16/19 through to 3/6/19 from 2:35-4:15.

Our mission is to help our students make a smooth transition to and get the most out of middle school, provide an opportunity to discuss age appropriate topics of concern/interest, help to build self-esteem through a variety of crafts/projects, and relax and get to know peers in a safe and supportive environment. We will be providing school approved snacks and drinks.

Facilitators: Kim Alexander, Developmental Guidance Teacher

Lindsey Hughes-Guidance Counselor
