

THE SCHOOL DISTRICT OF HAVERFORD TOWNSHIP

*The Office of the Director of Learning and Assessment
Oakmont Administration Building
50 East Eagle Road, Havertown, Pennsylvania 19083
610-853-5900*

Dear Parents/Guardians:

The Commonwealth of Pennsylvania requires all school districts to administer the Keystone Exams in Algebra 1, Biology, and Literature. The Spring 2022 testing dates for High School students are:

May 16 & 17, 2022	Biology
May 16 & 17, 2022	Algebra 1
May 18 & 19, 2022	Literature

Additionally, please review these very important PDE policies linked on our website to fully understand the state-testing program:

- **Information for Parents/Guardians (Q/A)**
- **Code of Conduct for Test Takers**
- **Use of cell phones/electronic devices**
- **Pennsylvania Calculator Policy**

Assessment scores represent a snapshot in time of student performance and should not be considered the sole indicator of student achievement. Data obtained from each assessment serves as one of the tools for planning school programs, designing curriculum and instruction and providing information to the public.

Parents may help their children prepare for the assessments by encouraging them to get plenty of rest the night before testing and have a good breakfast on the mornings of the test. Encourage your child to have a confident and positive attitude toward the assessments.

Thank you in advance, for your support. If you have any questions about the test or its administration, please do not hesitate to call or email me or your school principal.

Sincerely,

Sara Christianson
Director of Learning & Assessment
