

Parent Panel: Gender- Expansive Parenting

Having a child or teen begin to question their gender, or experiment with items often associated with a gender other than that which they were assigned at birth, can be difficult and confusing for parents and caregivers.

This panel discussion will offer parents and caregivers ways to support healthy gender exploration in their children while also looking to answer some of the important questions these adults may have.

Panelists:

Christopher J. Famiglietti, LCSW (He/Him)

Chris works within the private practice setting supporting clients ages 12 and up. Chris focuses on creating an environment for folx to explore all aspects of their identity and learn how to invite others in.

Dane Menkin, MSN, CRNP (He/Him)

Director of LGBTQ services at Main Line Health. Clinician who sees trans & nonbinary children through adults for gender affirming medical care.

Diane Rugala (She/Her)

Retired teacher and Outreach Chair/Board member PFLAG Collingswood

Theodore Ward (He/They)
