NBHS Welcomes Temple and Drexel University's School of Business Admissions Representatives

By: Laura McGroary, 2018-19 *Secretary of NBHS*
October 3, 2018

The National Business Honor Society's first two membership meetings included visits from Temple and Drexel University's Schools of Business. The members were pleased and honored to welcome Laura Broomell, *The Assistant Director of Enrollment for Temple's Fox School of Business*, Kennedy Price, *a Senior at Fox & VP of Temple's FBLA*, and Heather Latons, *Drexel's LeBow's Assistant Director of Undergraduate Business Programs and Recruitment*.

During the presentations, all of the speakers discussed the many aspects of what their Schools of Business are looking for in their applicants and all of the opportunities that the school offers. This included explaining a variety of business majors, on campus clubs, internship/co-op programs, and the study abroad opportunities to enhance our education as part recognizing that we are living in a global economy.

There are many different majors available within these Schools of Business that are outside of the traditional majors we tend to think of such as Marketing and Accounting. Some of the most interesting majors included: Applied Finance, Business and Engineering, Business Analytics, Entrepreneurship and Innovation Management, Supply Chain Management, and International Business.

So many of us NBHS members are interested in the stock market and investments. We were very impressed with what we learned from Ms. Latons about "The Dragon Fund", which is LeBow's student-managed equity portfolio. It was started in the fall of 2007 with

Haverford High School

Weekly Announcements

\$250,000 and has since grown to more than \$1.8 million. The fund is managed by LeBow undergraduates through two courses, Applied and Advanced Portfolio Management. Hearing about programs such as this, which is built into the college curriculum, was very exciting.

To kick off the school year, we were given excellent and eye-opening insight into what the Admissions Offices are looking for in college applications as well as the many opportunities that are upon us as we prepare to enter college. We learned that Admissions Offices carefully assess the coursework completed by students and their extra-curricular activities throughout their high school career, in addition to GPAs and standardized test scores. All of our speakers stressed that we need to challenge ourselves to take meaningful classes while in high school, get involved in extracurricular activities and always be a good citizen. Our 81 members will be inducted formally this year on November 13, 2018!

Counseling Department

ATTENDANCE News:

Attendance - Any late note, early dismissal note, absence excuse note, and classroom attendance should be turned into the Attendance Office. The Attendance office is located ACROSS from the Main Office, by the Front Entrance.

Please note: It is no longer required to “call your child out” when they are absent. **Full-Day Absences** should be reported using the *SafeArrival* Program. *SafeArrival* is an app/webpage

that you download to your phone or computer and sign-on to report your child’s absence from school - *SafeArrival* eliminates the need to send in a note. The App is called “School

Messenger” and is available on the App Store & Google Play Store. Click on the following link for further instructions.

[SafeArrival/School Messenger Instruction](#)

In the event that you are unable to use *SafeArrival*, please continue to send in an Absent Note upon returning to school, or you may email the Attendance Desk at HS-Attendance@haverfordsd.net . You may also use this email for Early Dismissals and Late Arrivals.

ANY FBLA MEMBER to order!!!**

Pennies 4 Patients Fundraiser

Each year, Pennsylvania FBLA chooses an organization to focus on for their state community service project, and this year we have chosen the Leukemia and Lymphoma Society.

For those who may not know, The Leukemia & Lymphoma Society is the largest nonprofit dedicated to creating a world without blood cancers. Since 1949, they have invested more than \$1.2 billion in groundbreaking research, pioneering many of today's most innovative approaches. Their mission is to cure leukemia, lymphoma, Hodgkin's disease and myeloma, and improve the quality of life of patients and their families.

In an effort to support this organization, Haverford FBLA will be participating in the LLS Pennies 4 Patients fundraiser! Starting this week, and throughout the month of October, FBLA members will be visiting homerooms to leave change collection boxes and encourage students to donate spare change to the cause. Then, at the end of the month, our members will collect funds and celebrate our efforts by participating in the Philadelphia Light the Night Walk.

In order to encourage donations, FBLA will be offering a **FREE Dunkin'** Breakfast for the top TWO fundraising homerooms! So please, help us encourage your students to give to a great cause, and earn a sweet reward for your kindness!
