The "Understanding PSAT Scores Video" was presented to students who completed the PSAT in October. Ask your student for their summary score report that they received this week. It has details on how the students did on every question from the test. Please have them set up their online account and practice through Kahn Academy on the College Board website.

TRI-M Music Honor Society Chapter 2479 Masterclass

Members of the HHS Tri M Music Honor Society Chapter 2479 held a special Masterclass on Thursday, Dec 20 in the High School Choral Room.

Current society members performed for and were offered suggestions by members and guests in attendance. Afterward, the audience was treated to performances by returning Tri M Alumni, who are all enrolled in music programs at Temple University, West Chester University and the University of Delaware.

Collegiate guest performers were Kathryn Corbino, Kleo Corbino, Jack Denman, Will Hulcher, Michael Kaplan, and Eric Liu. A question and answer session was offered after the collegiate performances. Topics ranged from performance standards in college, ideas for growth to hints for better stage presence. A cake reception, organized by Tri M parent Jen Hufnal and assisted by parents Catherine Mallam and April Wolfe, gave all a chance to chat and socialize afterward.
