B.L.A.S.T. HELP NEEDED ON FRIDAY, MAY 31

The BLAST needs you! The overnight after-Prom party starts at 11:00 pm on Friday, May 31 and we are in need of chaperones and casino dealers. See if you still have what it takes to stay up all night and help support a great, safe time for our Seniors and their dates. If you can help out, please visit our sign up page at <https://www.signupgenius.com/go/30E0B4EABAB28A20-2019>

B.L.A.S.T.

The 26th Haverford High School BLAST will take place on Friday, May 31, 2019. The BLAST is our post-prom party, held overnight from 11:00 pm until 4:00 am the

following morning. The BLAST was created to give our seniors and their dates a safe, fun, alcohol-free experience. The high school is decorated in accordance with our top-secret theme, and there are food and drinks, music, karaoke, interactive inflatables, and a casino. We end the night with a raffle for the kids who stay for the entire evening. Members of the community, parents, and teachers come together to make the night special for the students.

Our funding comes from PTSA dues, grants, and fundraising events. Despite our best efforts, we are low on funds. The BLAST costs close to \$20,000 to produce, and we need your help.

Please consider making a donation to the BLAST. We are asking for a \$10.00 contribution per HHS family to help defray the costs for this year's BLAST and to help us ensure that the BLAST can continue for future graduating classes.

Please make checks payable to HHS PTSA and mail to HHS PTSA, 200 Mill Road, Havertown, PA 19083. Checks or cash may also be dropped off in the box labeled PTSA in the Main Office. Please write "BLAST" on the outside of the envelope. You can also pay through our website, www.hhsptsa.org.

If you are interested in becoming more involved with the BLAST, please include contact information (phone/email) along with your donation. To stay updated on the latest PTSA and BLAST news, please follow our Facebook page, Haverford High School PTSA/BLAST.

Thank you in advance for your help with this. There are many devoted community members who work very hard to make this event the best it can be for our seniors. Your financial support will be greatly appreciated.

Counseling Department

Junior Assembly on May 30th

The Counseling Department will be hosting the Senior Panel Presentation on Thursday,
May 30th

at 9 am in the auditorium. We will have a panel of current seniors presenting their experiences regarding post-high school planning and the college application process.

There will also be an opportunity for students to ask questions at the end of the presentation.

Writing the University Application Essay

The Counseling Department will host Leah Greenspoon, Academic Advising Specialist from the University of Pennsylvania. Ms. Greenspoon will discuss the elements of a notable college application essay and advise juniors on this specific writing process. There will be two sessions of this presentation: on June 7th 8:00 am and 9:30 am (1st and 2nd block) in Rm. 126. Interested students can sign up through Naviance. After you sign-up

Juniors

Please check your google drive for important post-high school planning information that has been shared with you by the Counseling Department. Counselors will be visiting your homerooms to discuss this information and answer questions.

Interact Fundraiser

Interact is having the end of the year fundraiser on Tuesday, May 28 thru Friday, May 31 to raise money for Cystic Fibrosis (CF) Awareness. Any donation is acceptable. Nothing is too small or too large. It is greatly appreciated. Thank you.

Cystic fibrosis (CF) is a chronic, progressive disease that causes sustained lung infections and limits one's ability to breathe; approximately 2,500 babies are born with the disease per year and over 30,000 adults suffer from it in the U.S. In honor of National Cystic Fibrosis Awareness Month during May, Interact Club is leading an end-of-the-year fundraiser from May 28 to May 31 to raise money for the Children's Hospital of Philadelphia's (CHOP) Cystic Fibrosis Center. CF was once primarily a childhood disease due to the low survival rates for patients who reached adulthood. However, due to advancements in research and treatments, the survival rate has increased to approximately 40 years of age. Because there is still no cure for CF today, it is important that we raise funds for CHOP to contribute to the research effort at a local scale. Any donation, no matter how big or small, will bring CHOP's Research Institute one step closer to finding a cure and ultimately lengthen patients' survival rates.
