

Title:

Name:	
--------------	--

Directions: Over the course of this week. I would like you to spend two days, while using the writing process, to create a fiction story. I want your imagination to run wild. You can use personal experiences, or ideas that are near and dear to your heart! If you have story cubes, they would be a great tool to help you! If you don't have any I have attached paper story cubes you could make and use.
