Report from the Juenger Committee 2018

Haverford High School

Fall 2018

Three-sport athletic winner carries on family spirit

Matthew Young

Juenger Athletic winner Matthew Young excelled in three sports at Haverford. In fall, it was football, where he was cocaptain and two-way tackle and played in the Hero Bowl all-star game. In spring, it was lacrosse, especially challenging since lacrosse is now a year-round sport for most players. Matt played defense and mid-field, handled the key face-off job and received All Central League honors. In winter, Matt accepted the role as 6th man on the basketball team, bringing energy off

Sophie Santori

Service award winner a popular leader

Sophie Santori served as Chapter President of Best Buddies this past academic year, a most demanding position as the club has 245 members. It requires a significant time commitment, both in and out of school. In addition, Sophie chose a very challenging academic schedule.

To prepare for the Best Buddies job, Sophie attended the Leadership

The Stephen M. Juenger Memorial Fund was created in memory of Steve Juenger, teacher and coach for 45 years at Haverford High School, Havertown, PA. The fund benefits HHS students who exemplify what Coach Juenger stood for and taught. The fund allows alumni to "give back" to Haverford High, whose teachers gave so much to them.

The Fund was formed in 2004 as a worthy tribute to Steve Juenger who passed away in November 2003 at the age of 88. Coach Juenger was actively involved at Haverford High School for over 55 years, coaching basketball and other sports for 45 years. After "retiring," he continued to help at Haverford. He had a profound influence on thousands of students—in the classroom, in the gym, and on athletic fields.

Since our kickoff meeting 14 years ago, over 320 alumni and friends have stepped forward to contribute to the Stephen M. Juenger Memorial Fund with gifts ranging from \$10 to \$5,000.

Juenger Fund Update

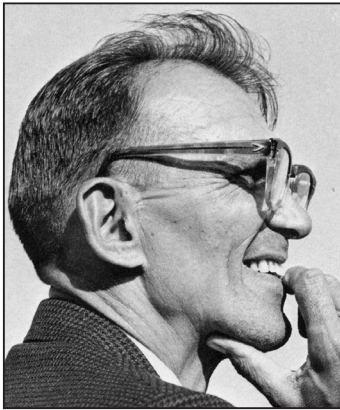

Coach Steve Juenger in 1995

Over the past 14 years, we have distributed scholarships totaling \$115,250. In 2005, we awarded \$750 per student. Last year, this was up to \$8,000 per student. This year, it's up to \$9,000.

Our focus is on two scholarships. One goes to a Haverford senior athlete who best displays the attributes taught by Steve Juenger—leadership, character, and sportsmanship. The second goes to a Haverford senior who displays excellence in community service. This award honors Coach Juenger's lifelong devotion to Janet, his daughter with special needs.

George Walton Service Award 2007

George graduated from Slippery Rock University in 2011. Soon after, he began his "dream job" as a Park Ranger on Assateague Island. Two years later he was assigned to the Gateway National Recreation Area in Sandy Hook, NJ. For the past four years, he's been with the Delaware Natural Resources and Environmental Control in Wilmington. ●

the bench at key times.

Matt was also known for school spirit—not surprising since father Steve and grandmother Sandy are HHS graduates. And his grandfather, Sid Young, was a Haverford teacher and coach for many years and instrumental in founding the Juenger Fund.

Matt was a member of Best Buddies which likely led to his choice of a major in special education at Cabrini University. ●

In addition, Sophie has been the Buddy to Shane Frank the last two years. They have a true friendship and do activities together both in and outside of school.

Sophie is attending West Chester University, planning to major in special education. ●

Elizabeth Kribbs Service Award 2010

Lizzy graduated from Bloomsburg University in 2014 with a dual degree in Special Education and Early Childhood Education. She earned a masters degree in 2015 in Middle Level Math Education and English as a Second Language. Lizzy taught Special Ed for two years at the Danville Central School in Danville, PA. She is now in her third year teaching ESL and math at Nueva Esperanza Academy in northeast Philadelphia. ●

Walt Norley HHS '57

passed away in July. You might remember that Walt was a three-sport athlete at Haverford. Following high school, he was signed as a pitcher by the Milwaukee Braves. Following baseball, Walt had a very successful career in the concrete business, selling his company in 1990 and retiring to Bluffton, SC. He was married to the former Pam Jarman HHS '60. They have four children and 13 grandchildren. We thank Walt and Pam for supporting the Juenger Foundation.
