

Food Service 2016-17 Update

Daily Operations

- The Department served over 283,000 meals to students this year.
- We serve 1500 meals daily in all schools.
- Additional revenue was created by serving 3 local private schools. 40,000 meals were sent to those schools.

Increased Participation

Total Meals:

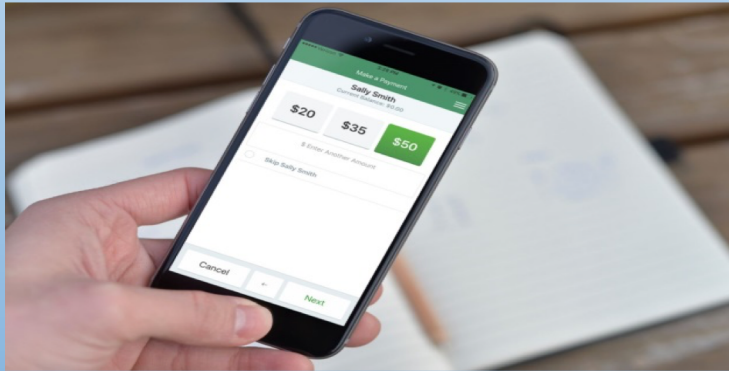

School Year 2015/16	240,091 total reimbursable meals
School Year 2016/17	242,895 total reimbursable meals

2,804 increase in meals.

* Reimbursable meals do not include local private schools

POS System

- Allows parents to view actual purchases.
- System upgrades this year included: mobile menus, nutritional information and student accounts viewable on a smartphone.

New Ruling from USDA

- Sodium levels are to remain at current levels.
- Low fat flavored milk permitted to be sold.
- Districts receives an exemption for grains.

Highlights of the Year

- The annual Senior Breakfast participants (900) enjoyed a hot breakfast.
- The department joined Twitter, @HavSDFoodSer.
- Received fresh produce 2/3 times a week from a dedicated vendor.
- Purchased an additional 7 milk coolers with our grant from last year.

Highlights(cont.)

- USDA/PDE audit was conducted in 2 parts this year, the off-site portion was completed in March with the on-site portion was conducted in early May.
- The USDA also reviewed our procurement practices in October.
