

# *Welcome to French Club at Haverford Middle School*

## *Permission slip and Important Details*

**When:** Once a month from September to May 2:45-3:30 PM

**Where:** Room 139--- Mrs. Alls, 7th grade French teacher and Mrs. Cox, 8th grade French teacher.

**Who:** any 6th, 7th, or 8th grade student can join any time

**What** do we do? Enjoy French music, films, games, celebrations, cultural information, food

### **ABOUT THE FOOD!!!!**

Since food is a significant part of the French culture, we would like to share some French snacks with the students. These could include cookies, crêpes, croissants, cheese, etc. We need you to know that information and we need to know about allergies, since some of these foods are not on the school food list.

THEREFORE, each student MUST have a signed permission slip to come to the club. The permission slip not only provides a place for you to tell us about any allergies, but also indicates that you know that your child is staying after school for an activity and is responsible for his/her own way home. We want everyone to be able to participate, but we need to be diligent in regards to school safety and allergies.

Thanks for understanding.
