

# 6<sup>th</sup> Grade Math Club

- ✓ Do you need help with math problem solving?
- ✓ Do you want a place where TEACHERS are available to help?
- ✓ Do you want to gain confidence in a subject that can be challenging?
- ✓ Do you want to finish your math homework BEFORE you head home from school?

If you answered yes to any of the questions above, then math club is the place for you! Math club is held in Mrs. Myers' Room (Room 206) immediately after school on Wednesday and Thursday from 2:35- 3:20 pm. Please come with your math supplies and questions! **No permission slip** is needed but you do need to **arrange your own transportation home**.

If you have questions please contact any of the 6<sup>th</sup> grade math teachers-
